
AUC Geographica

AUC Geographica (Acta Universitatis Carolinae Geographica) is a scholarly academic journal published since 1966 that focuses on actual results of research from a wide range of the geographical sciences: physical geography and geo-ecology, regional, social, political and economic geography and regional development, cartography and geo-information, demography and geo-demography. The journal disseminates research results on geographical theory and methodology and also strives to help solve practical problems in Czech regional, socio-economic and demographical policy-making.
